

VOLUNTEER DRIVER LOG

USE:	Have a new log filled out each year and keep it with all of your important Girl Scout files as you may be asked to provide this to council staff at some point. Refer to the most current issue of <i>Volunteer Essentials</i> for additional information related to travel.		
	Current issue of voluntee	- Essertiais for additional information related t	o traver.
Troop Number: Year of Use:			
Before sig	ning this log, each driver	should:	
 Be given the opportunity to read the information found on this log and if requested be given a blank copy for their records. 			
 Have completed and be cleared through the Girl Scout volunteer intake process by completing a Volunteer Application and Background Disclosure form. 			
 Have a current valid driver's license and appropriate insurance coverage (as required by the state of Georgia) for the vehicle being driven. 			
My signature below indicates that I have volunteered to provide transportation in my private passenger vehicle for members of my daughter's Girl Scout troop/group for approved Girl Scout Activities. I have been given the opportunity to ask, and have answered, any questions I may have related to my agreement to do so. My signature further indicates that I acknowledge having a current valid driver's license and that I understand that my personal vehicle insurance is primary coverage and that any council insurance would be secondary. I understand that I may rescind this offer at any time.
